Divine Relationship Guidance

Find joy in the moment for what it is and not what you want it to be.

Say thank you to all the people in your relationships who are the most difficult - they are your greatest teachers.

Become peaceful and more prosperous in your own life by removing the judgements that you have towards yourself and others.

Love yourself unconditionally in order to receive unconditional love from others.

When you live in the moment, you live in reality instead of the illusion. Loving yourself unconditionally allows you to...

The American Sucker How Not to Become One!!!

By: ALL-OF-US

At last, no-nonsense concise commentary that turns the world upside-down, inside-out with humorous, sometimes not so funny views on love, race, religion, politics, economics, spirituality, history, media, gender, psychology, family, philosophy, sex, communication, and heaven knows what else?
